Impeccable Exterior Design With a Chrome Pocket Handle, Anti-fingerprint Finish and 668 litres of capacity, enjoy the convenience and storage of this Side by Side refrigerator. Tall Ice & Water Dispenser The design of the water and ice dispenser makes it easy to fill tall containers. Digital controls make it easy to see the fridge settings and the child lock provides added protection against accidental spills. Slim SpacePlus® Ice System Built into the fridge door to give you shelf space whilst still allowing for storage on the door. Tough & Durable Tempered Glass Shelves Tempered glass shelves in LG refrigerators are strong, durable and less prone to cracking and breaking than regular glass, allowing the support of heavy items. Moist Balance Crisper® The lid of the Moisture Balance Crisper® has a lattice structure that retains evaporated moisture from fruit and vegetables, allowing them to stay fresher for longer. 10 Year Parts Warranty On Linear Compressor With less vibration, moving parts and noise than a conventional LG compressor system, the LG Inverter Linear Compressor is quieter and more durable. LG 10 Year Parts Warranty - as the Inverter Linear Compressor is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.¹
